Section 4
Omitted information

Information omitted (if any) for this financial year:

Information omitted in previous financial years, which is disclosed in this financial year (if any):

Section 5 (not mandatory)

Explanations for material discrepancies between income tax paid and accrued

In jurisdictions showing losses, there would be no income tax accrued. Italy, with the entity Moeve Chemicals Italy S.P.A., shows income tax accrued but no income tax paid, as it has not paid its corporate tax (IRES/IRAP) in 2025 because it had credits generated in previous years.
